Organic by conviction.

Since 2004 we are brewing ecological *Luchs Beer*. We are convinced that we contribute a small part to the protection of our beautiful country. Our beer should mainly support our region and help keeping our environment healthy. Besides that, we exclusively use high-quality, ecologically cultivated raw materials and naturally we brew with our outstanding soft rock spring water.

Assortment.

Luchs Beer Pilsner:

A golden gleaming coloured Pilsner with a rich aroma. Like all sorts of our beer made only from high-quality, ecologically cultivated raw materials and naturally with our outstanding soft rock spring water.

Alc. 5,2 %

Luchs Beer Spelt:

An amber coloured beer made from the ancient grain spelt with a very special taste.

Alc. 5,6 %

Assortment.

Luchs Weissbier (wheatbeer):

A bland Frankish, absolutely full-bodied wheatbeer specialty and a bright gleaming Yeast wheat beer with a great malty taste.

Alc. 5,6 %

NEW – wheatbeer light !! Alc. 2,9 %

Luchs Cellar Beer.

Our dark malt-stressed beer invites to a hearty snack! Of course only from high quality ecologically cultivated raw materials and with our soft rock spring water like all of our sorts.
